NOTICE.

The Civil Service Commissioners are authorised by the Secretary of State for India in Council to announce that the new age limits for the Indian Civil Service Open Competition in this country, viz., 21 to 23 on the 1st August of the year of competition, will come into force for the Open Competition to be held in 1925, not in 1924 as previously announced. For the Open Competitions to be held in 1923 and 1924 the age limits will be 21 to 24 on the 1st August of the year of competition, these years (with 1922) constituting a transition period from the old to the new age limits. The rule contained in the appendix to the current regulations, by which a maximum of one year's deduction from actual age is allowed in certain cases on account of war-service, will remain in force for the Competitions of 1922 and 1923.

The probationary course of selected candidates, before proceeding to India, will be extended to two years in the case of all candidates selected on the result of the Open Competition to be held in 1925; and a proportion of the younger candidates selected on the result of the Open Competitions to be held in 1922, 1923 and 1924 will also be required to undergo two years' probation in the United Kingdom.

As the scheme and syllabus of the examination as lately revised may be expected to prove well adapted to their purpose under the new age limits it is not intended to make any material change unless experience shows that modification is required; the Regulations are always, however, liable to alteration from year to year.

CIVIL SERVICE COMMISSION,

September 1922.

Copies of this paper may be obtained on application to the Chief Secretary to the Government of Bengal.

INDIAN CIVIL SERVICE.

Open Competition of 1923.

An Open Competitive Examination for admission to the Indian Civil Service will be held in London in 1923, the written work commencing on the 1st August, while the viva voce test (Subject 6) will be held in July.

The number of persons to be selected at this examination will be announced hereafter.

No person will be admitted to compete from whom the Secretary, Civil Service Commission, has not received, on or before the 1st June 1923, an application on the prescribed form, a copy of which is sent herewith. No allegation that an Application Form or a letter respecting such Form has been lost or delayed in the post will be considered by the Commissioners unless the person making such allegation produces a Post Office Certificate of Posting. Candidates who delay their applications until the last day will do so at their own risk.

Acknowledgments of such Application Forms are sent, and any candidate who has filled up and returned the printed Application Form but has not received an acknowledgment of it within four complete days should at once write to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1. Failure to comply with this provision will deprive the candidate of any claim to consideration.

Candidates will be notified in June of the date and place fixed for their viva voce test and of the manner in which the fee (£8) is to be paid. The Time Table of the written part of the examination will be posted about the middle of July to the address given on the Form of Application, and will contain instructions as to the time and place at which candidates are to attend.

NOTE.

If Open Competitive Examinations for the following Services, viz. :—

Eastern Cadetships in the Colonial Service ;

Junior Grade of the Administrative Class (Men) in the Home Civil Service ;

should be held in 1923 concurrently with the Open Competitive Examination for the Indian Civil Service, candidates duly eligible in respect of age, etc., will be admitted to compete for any two or all three of these Services, subject to the following conditions :—

(1) Every successful candidate who may have been admitted to compete for either the Indian or the Colonial Service (or both), as well as for the Home Service, will be called upon to declare, immediately after the announcement of the result of the competitions, whether he prefers his name to remain on the list of candidates for the Indian or Colonial Service or on the list of candidates for the Home Service.

The name of any candidate who fails to declare his choice when called upon to do so will be removed from the list of candidates for the Home Service.

(2) Every successful candidate who may have been admitted to compete for both the Indian and Colonial Services will be called upon to declare, immediately after the announcement of the result of the competitions, whether he prefers his name to remain on the list of candidates for the Indian Service or on the list of candidates for the Colonial Service.

The name of any candidate who fails to declare his choice when called upon to do so will be removed from the list of candidates for the Colonial Service.

(3) All declarations of choice are irrevocable.

(4) Candidates for all three or any two of the abovementioned services will be required to pay a consolidated fee of £8.

Home Civil Service : Administrative Class.

Indian Civil Service.

Colonial Service : Eastern Cadetships.

Note.—Candidates may include any or all of these three Services in their application (see paragraph 3 below), provided they are eligible in all respects under the regulations; but it should be understood that the only competition as yet announced as certain to be required in 1923 is that for the Indian Civil Service, the regulations for which are enclosed herewith.

To be filled up and returned to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W. 1, in time for delivery on or before *June 1st, 1923. No Application Form received after that date will be accepted.*

If a candidate who fills up and returns this Application Form does not receive an acknowledgment of it within a reasonable time he should inform the Secretary of the Civil Service Commission.

The candidate should by consulting the regulations satisfy himself of his eligibility for the services for which he makes application. No scrutiny of the information which he gives on this Form is made by the Commissioners until the results of the examination are known.

Should any of the particulars furnished be found to be false within the knowledge of the Candidate, he will, if appointed, be liable to be dismissed; and if otherwise entitled to Superannuation Allowance, he will forfeit all claim thereto. The wilful suppression of any material fact will be similarly penalised.

MEDICAL EXAMINATION : CHOICE AMONG SERVICES.

Immediately the results of the examination are known, each successful Candidate will be summoned to attend at the Civil Service Commission to be medically examined and to state his choice among the Services open to him and among the various Departments, Provinces or Colonies. That statement of choice is irrevocable.

EVIDENCE OF AGE.

A Candidate born in the United Kingdom must not send in his birth certificate with this form but must be prepared to produce it when required.

A European or Anglo-Indian who was born in India must be prepared to produce when required a certificate of baptism from the district in which he was baptized. If this does not also mention the date of birth it must be accompanied by a statutory declaration by one of the Candidate's parents, stating the date and place of birth.

An Indian born in India must send in with this form a certificate under Government of India Notification No. 1114 of 12th September 1918. If the Candidate's family is resident in British India the certificate must be signed by the Secretary to the Government of their Province or by the Commissioner of their Division. If they reside in an Indian State it must be signed by the highest political officer accredited to that State.

FEE.

EXAMINATIONS FOR THE INDIAN CIVIL SERVICE.

REGULATIONS.

•• The following Regulations, made by the Secretary of State for India in Council, are liable to alteration from year to year.

1. An examination for admission to the Indian Civil Service, open to all qualified persons, will be held in London in July and August of each year for such number of appointments to that Service as the Secretary of State may on each occasion determine. The date of the Examination will be announced beforehand by the Civil Service Commissioners.
2. Save as hereinafter provided a candidate must be a British subject. If the candidate (being a British subject) or his father or his mother was not born within His Majesty's Dominions and allegiance then at the time of his birth his father must have been a British subject or the subject of a state in India and such father must be or must have continued to be until his death a British subject or the subject of such state in India. Provided that a ruler or subject of any state in India in respect of whom the Governor-General in Council has made a declaration under section 96A of the Government of India Act, 1915, as amended by section 3 of the Government of India (Amendment) Act, 1916, may be considered eligible.
3. A candidate must have attained the age of twenty-one, and must not have attained the age of twenty-four on the first day of August of the year in which the Examination is held, or must be in a position to claim such a concession under the provisions of the Appendix to these Regulations as will render him eligible.*
4. A candidate who is a Native of India must obtain a certificate of age and qualification under Regulations 2 and 3 issued under Notification of the Government of India, No. 1114, dated 12th September 1918, and signed, should he be a resident in British India, by the Secretary to Government of the Province, or the Commissioner of the Division within which his family resides, or, should he reside in a Native State, by the highest Political Officer accredited to the State in which his family resides.
5. A candidate must be free from disease, constitutional affection, or bodily infirmity, unfitting him, or likely to unfit him, for the Indian Civil Service.†
6. A candidate must be of good moral character.
7. No person will be eligible for admission to the Indian Civil Service who has made before any Tribunal established under the Military Service Acts, 1916, an application for the issue to him of a certificate of exemption from the provisions of those Acts on the ground of a conscientious objection to the undertaking of combatant service.
8. No person who, in a previous year, accepted the offer of a nomination as a Selected Candidate for the Indian Civil Service and subsequently resigned his position as a Selected Candidate, will be admitted to the examination.
9. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the candidate, on payment of the prescribed fee, will be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any candidate should be unsatisfactory to them in any of the above respects he will be ineligible for admission to the Indian Civil Service, and, if already selected, will be removed from the position of a Probationer.
10. The Examination will include the following subjects.‡ The numerical value is shown against each subject.

* The appendix referred to is printed on page 2022.

† The Civil Service Commissioners will regard no person as constitutionally fitted for appointment to the Indian Civil Service who has not been satisfactorily vaccinated within the last seven years.

Physical Anthropology.
Social Anthropology.
An auxiliary language.

11. The auxiliary language in Section A or Section C will be tested by means of translation from the language. The following languages may be offered ; French, German, Italian, Spanish, Portuguese, Dutch, Norwegian, Swedish, Danish, Russian, Latin, Ancient Greek ; provided that—

- (a) No Candidate offers any language twice in the examination.
- (b) No Candidate offers in Sections A and C together two languages of the group Italian, Spanish, Portuguese or two of the group Norwegian, Swedish, Danish.
- (c) Only a Candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language.

Instead of an auxiliary language a candidate whose mother-tongue is an Indian language may offer as Subject 5 either Physical Anthropology or Social Anthropology provided he does not offer the subject elsewhere.

12. In subjects 50 to 67 the Civilization subject associated with a language can only be taken by candidates who offer the language itself for examination.

13. A Candidate desiring to offer any of the subjects 30 to 42 or subject 47 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of university rank. For Astronomy (28), Geography (41), Physical Anthropology (44), and Agriculture (46), other equivalent training will be required. There will be no laboratory test as part of the examination.

14. From the marks assigned to Candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

15. Moreover, if a Candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.*

16. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects.

Should any Selected Candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate.

17. Persons desirous to be admitted as Candidates must apply on Forms, which may be obtained from "The Secretary, Civil Service Commission, 6, Burlington Gardens, London, W. 1," at any time after the 1st December, in the year previous to that in which the Examination is to be held. No person will be admitted to the Examination from whom the Secretary to the Civil Service Commissioners has not received on or before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the Examination is to be held, an application, in the handwriting of the Candidate, on the prescribed form.

APPENDIX.

1. Any person who has joined since the 4th August, 1914, the Army or Navy, or Royal Marines or the Royal Air Force, or has rendered since that date actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the open competitive examination held in 1922, but over age in 1923, deduct from his actual age at the time of the open competitive examination held in 1923 :—

- (a) The actual period of such service, if it has not exceeded three months.
- (b) One year, if the actual period of service has exceeded three months. No candidate will be allowed to deduct more than one year from his actual age.

2. The same concession may also be granted to those who have been employed during the same period in connection with the armed forces of the Crown at home or abroad giving their whole time and under obligation to serve for the duration of the war or until their discharge, or for any period not terminable at their own option, provided that their employment be not on ordinary commercial terms, such as that of Assistant Paymasters, Clerks, Artisans and the like.

* It is notified for general information that the number of marks deducted for bad handwriting may be considerable.

3. The grant of the concession described in paragraph (2) will be at the discretion of the Civil Service Commissioners, whose decision in each case will be final. Candidates who contemplate applying for an age deduction under (2) will do well to apply to the Civil Service Commission for a ruling on their case.

4. Candidates to be eligible for the concessions in (1) or (2) must furnish an official certificate of the period and satisfactory character of their service and if any doubt arise whether the service of any candidate is of the kind contemplated, the Secretary of State for India in Council reserves to the Civil Service Commissioners the right to decide the case upon its merits.

Copies of this paper may be obtained on application to the Chief Secretary to the Government of Bengal.

A candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements:—

(i) *Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *Except in the case of persons continuing to receive Scholarship allowances of equal or greater amounts from the Government of India an allowance of £300 a year or in the case of Selected Candidates possessing an Indian domicile, an allowance of £350 a year will be given to any candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.*

In the case of Selected Candidates on probation for one year the allowance will be payable in four equal instalments on the following dates respectively:—December 24th after his selection, March 25th, June 25th and after signature of Covenant on appointment to the Service.

In the case of Selected Candidates on probation for two years the allowance will be payable in eight equal instalments, the first on the December 24th after selection, the second to the seventh on the six following quarter days and the eighth after signature of Covenant on appointment to the Service.

The payment of the various instalments of the allowance except the final instalment and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation will be conditional on the receipt by the Secretary of State through the Civil Service Commissioners of a certificate that the candidate has fulfilled up to the date the requirements of the authorities and shown satisfactory conduct at the approved institution.

The whole probation must ordinarily be passed at the same institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N.B.—The Secretary of State for India gives notice that the amount of the allowances will be reconsidered in 1923, with a view to a possible reduction with effect from the instalment payable in December, 1924.

(iii) *A 1st class passage to India will be engaged for Selected Candidates with a view to their proceeding to India during the November following their Final Examination.*

(iv) *Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surely jointly and severally to refund all monies he may have received from the Secretary of State for India in the event of:—*

(1) *his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or*

(2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(v) *All candidates obtaining Certificates will be also required to enter into covenant by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make, for the pensions of their families. The stamps payable on these covenants amount to £1.*

(vi) *The seniority in the I.C.S. will be determined by the results of the examinations taken and the reports on law cases submitted during the course of probation.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.*
